Presenter Confirmation: June 5, 2018  
Conference Dates: July 5-7, 2018

## **PLENARY SPEAKERS**

*\*To be determined later*

## **CONFERENCE FORMAT**

The conference is designed to provide lots of networking opportunities that will last much longer than the conference as well as some social events/activities allow for more informal interactions among conference attendees, organizers, presenters, and other delegates.

**Paper Presentations** include research, theory, concepts, and practices. Each is a 20-minute session that describes an innovative idea, research, or a procedure through which the presenter has recently gained awareness of an aspect of language, language teaching and/or learning. 10 minutes will also be allocated for Question and Answers. It should describe what has been done in relation to theory or practice or may focus on commercial materials or products. Its content should be relevant to the delegates who work outside the presenter's local context as well.

**Panel Discussion** is a forum for discussing thematic topics or other relevant topics within a small group. The sessions are 25 minutes long with 15 minutes of Questions and Answers.

**Workshop Sessions** are 50 minutes long with 10 minutes of Questions and Answers. These sessions are interactive with emphasis on group collaborations.

**Poster Sessions** give a visual presentation illustrating or summarizing a project, a research study, or a feature of language teaching and/or learning. Each poster will be allocated wall space and there will be a 60 minute slot in the program solely for the presentation and discussion of the posters by the presenters and delegates. There should be time for Questions and Answers.

**Teaching Tips/ Sharing Sessions** are 20 minutes with 10 minutes of Questions and Answers. They provide useful information and ideas on teaching and learning.
